## ***A Message from Our Executive Director***

This year at Glorieta Adventure Camps has been one of growth, renewal, and gratitude. Across our property, we have seen our mission in motion through meaningful experiences, deep relationships, and lives transformed by the truth of Christ.

For the first time in several years, we operated with a fully staffed summer team. That milestone allowed us to focus more intentionally on the guest experience, creating space for rest, adventure, and reflection. The dedication of our staff made a visible difference, and we are thankful for the many hands and hearts that made it possible.

This was also a year of steady progress toward long-term sustainability. We completed important capital improvements, strengthened our infrastructure, and continued to invest in the people and systems that make this ministry thrive. Every project, from upgraded facilities to enhanced activities, reflects our desire to serve with excellence and care.

We exist to inspire Christlike change through outdoor adventure, authentic relationships, and biblical truth. Every camper, family, and guest we serve is part of that story. Our vision to reach 50,000 people each year by 2028 reminds us that growth is not just about numbers, but about lives transformed.

As we look back on the past year, I am filled with gratitude for the staff, volunteers, donors, and partners who make this work possible. Together, we are building something that endures, rooted in hope and strengthened by the community God continues to grow here at Glorieta.

With gratitude,

Anthony Scott

“Our family was praying for a time to rest, repent, reset, and re-focus on Christ and on His call for us as individuals and as a family. God used Glorieta to hit every single one of these out of the park. We're thankful for His kindness and His presence!”

# OUR MISSION IN ACTION

*Celebrating Christ-like change across programs*

From Family Camp to Day Camp, this summer was filled with adventure, community, and growth. Our theme, Rise of the Remnant, guided campers as they discovered how God strengthens those who stand firm in faith. As part of Glorieta Adventure Camps' seven-year journey through the Bible, this year's focus on the Old Testament prophets—Isaiah through Malachi—helped participants see how God remains faithful even when His people fall short. Through stories of warning and hope, they learned that while God disciplines with justice, He also restores with mercy and fulfills His promises through Jesus. Across worship, small-group study, and shared adventures, campers experienced what it means to live as part of God's remnant: a people called to courage, obedience, and hope. Together, they grew not just in biblical understanding, but in lasting faith and Christlike character.

## IN THE WORDS OF CAMPERS...

*What has God been teaching you while at Glorieta?*

He has been telling me that there are so many people fighting silent battles even if you can't tell, so be kind

That God has a plan for each of us

As Christians, we need to be set apart and live our lives different from the world

To be BOLD!!

Patience, Discipline, and Community

To increase my faith

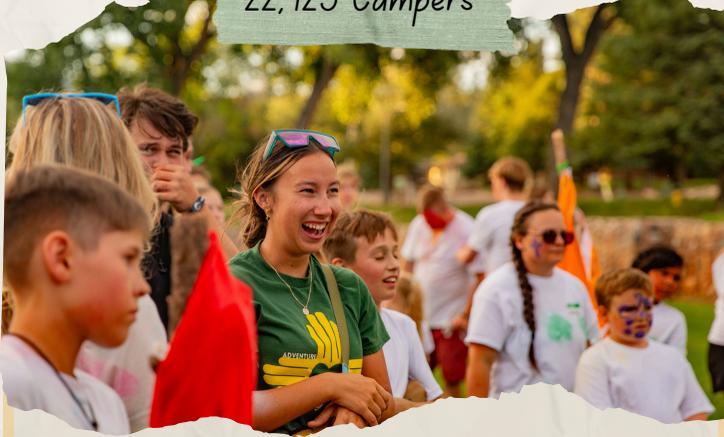

No matter what He will always be the LIGHT in a world full of darkness

I have been learning to be selfless and humble and live more for the Lord and less for the world.

To slow down, be still and trust in Him

Even through dark valleys, God is still with me

# YOUR GENEROSITY MAKES MINISTRY POSSIBLE

## FACILITY IMPROVEMENTS

God provided abundantly for the continued growth and sustainability of our campus. Project highlights include:

- New seating for 1,500 guests in Holcomb Auditorium
- Dorm renovations serving 500 guests
- New solar-powered lighting and directional signage to better navigate campus
- Expanded activity hub in Ruiz Canyon

## RECREATION IMPROVEMENTS

We updated nearly 7 miles of our trail system, as well as added a new trailhead parking area and disc golf course. These public-access improvements continue to provide high-impact outdoor recreation opportunities for our local and regional neighbors.
