3 AREAS TO CHOOSE FROM

HOLCOMB AUDITORIUM

The largest auditorium at Glorieta Camps is a beautifully renovated space with seating for up to **2,000** guests. The expansive venue is inviting, with wood accents and a sound booth for all your AV needs.

MOODY AUDITORIUM

Moody Auditorium is an intimate room that fits up to **700** people. With a small stage and side wings, it's perfect for exhibitor tables or space for breakout groups.

ASPEN AUDITORIUM

With an elevated stage, Aspen Auditorium is a great location for groups of **500**. It's perfect for smaller group connections, speakers, and performances.

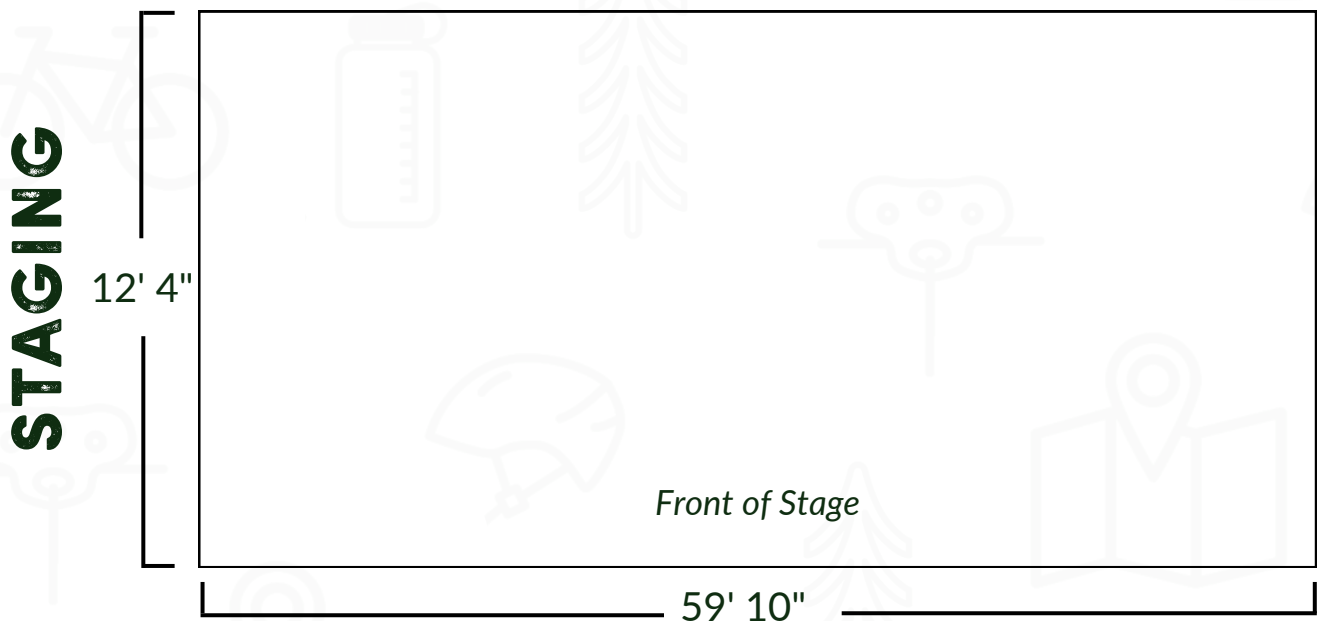

**NEED ADDITIONAL BREAKOUT ROOMS?
NOT A PROBLEM! OUR FACILITY INCLUDES SEVERAL OTHER MEETING
SPACES RANGING FROM 10-200 OCCUPANCIES.**

MEET | HOLCOMB DETAILS

Host your next major event in the newly renovated Holcomb Auditorium, featuring theater-style chair seating for up to 2,000 guests (1,200 minimum). A large stage gives ample space for setting up your own custom backdrops and using the hanging screens. Warm wood accents create an inviting and professional atmosphere, perfect for high-impact presentations and conferences. The sound and lighting booth helps support your event and gives you access to numerous stage inputs, a sound board, and more! Step into a space with a rich history that invites you to create new, impactful memories.

MEET | HOLCOMB FAQs

- **Does Holcomb have Ethernet?** Yes.
- **Is there a catwalk?** Yes.
- **Do you have turnarounds/gender-benders/adapters for the 3-phase power?** No, your team will need to bring turnarounds to access 3-phase power in Holcomb and Aspen, should your distro not have the appropriate ties.
- **Do you provide an AV tech?** Yes, our venue manager will assist with questions during load-in.
- **How many amps of power does Holcomb have?** 400 amps
- **What does Holcomb have regarding light and av?** Holcomb does not have any projectors. It does have 40 stage inputs, a Yamaha M7CL Sound Board, an ETC SmartFade ML Light Board, 1 catwalk with 1k-lb suspension limit.
- **Is haze allowed?** Yes, all requests for haze must be submitted 2 months before your event. There is a \$50 fee.

Recommendation and/or special information

- Spotlights will sometimes turn off when overheated; they will come back once they cool down.
- Sub power amps will sometimes not work. You are allowed to tie yourself into the subs, so long as everything is returned correctly when you leave
- Pack extra spotlights. You are also welcome to use our projection booth and/or upstairs portions of Holcomb.
- We recommend bringing your own subs.

Glorieta will not provide any AV equipment. All cabling or equipment will need to be provided by your production team.

MEET | MOODY DETAILS

Step into a space designed for adaptability and impact. This newly upgraded space offers a flexible layout, making it a great option for lectures, performances, workshops, banquets, or worship services for groups of 450-700. Whether you prefer rows, classroom-style, or a more open floor plan, the setup can be tailored to your group's needs and unique flow. Integrated tech features include a sound booth, dual projectors, and screens with HDMI connection. With two side wings, there is even more flexibility for breakout sessions, vendor displays, or overflow seating; the additional space adds to the unique charm and makes the space equally suited for intimate gatherings or large-scale productions.
